ADDITIONAL INFORMATION

Other important information:

In general, all retail depositors and businesses are covered by the Deposit Guarantee Scheme. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Citco Bank will also inform you on request whether certain products are covered or not. If deposits are covered, Citco Bank shall also confirm this on the statement of account.

i Scheme responsible for the protection of your deposit:

Your deposit is covered by the Dutch statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would be repaid up to EUR 100 000.

ii General limit of protection:

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Dutch Deposit Guarantee Scheme. This repayment covers at maximum EUR 100 000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with EUR 90 000 and a current account with EUR 20 000, he or she will only be repaid EUR 100 000.

iii Limit of protection for joint accounts:

In case of joint accounts, the limit of EUR 100 000 applies to each depositor.

However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of EUR 100 000.

In the exceptional case of bankruptcy of your credit institution on the moment you have a deposit directly resulting from real estate transactions relating to private residential properties your deposits will be protected for a period of three months after the deposit for an additional amount which will not exceed EUR 500 000.
